To—All Secretaries to Government, Heads of Departments, Deputy Commissioners and other Heads of Offices.

Sir,

I have the honor to state that both Civil and Public Works Branches of this office are now amalgamated into one branch and the Railway Branch alone is separate. I therefore request that you will be so good as to address all communications not intended for the Railway Branch of my office to "The Comptroller, Mysore Government" and all communications relating to matters affecting Railways, Construction and Open Lines to "The Comptroller, Railway Branch."

I have the honor to be,

Sir,

Your most obedient servant,

M. N. KRISHNA RAO,

Comptroller.

Loans No. 368, *dated 29th June—1st July* 1918.

To

The Heads of Departments and Offices and the Deputy Commissioners, Treasury Department of Districts.

As much difficulty is felt in this office in classifying the deductions made on account of repayment of House-building and other advances in establishment bills cashed at Treasuries, for want of detailed statements containing full particulars of such deductions, the undersigned has the honor to request that in future, a statement in the form annexed may invariably be attached to each establishment bill giving details of the recoveries on account of the marginally noted advances.

1. House-building advances.
2. Indian War Loan advances.

2. Treasury Officers are requested not to cash bills from which such deductions are made but which are not accompanied by statements in the prescribed form furnishing details for the deductions shewn.

3. Printed forms of statement of deductions may be obtained from Treasuries. A stock of forms will be sent to the District Treasuries which will arrange for the necessary supplies to the Taluk Treasuries. Until receipt of printed copies the statement may be prepared in manuscript.

No. 21—T. A. D. (A)., dated 4th July 1918.

To—All Drawing Officers including Deputy Commissioners of Districts and Treasury Officers.

Has the honor to observe that the instructions issued in para 9 of this office Circular No. 438, dated the 8th September 1917 do not seem to have been clearly understood, as requisitions continue to be received in this office from some of the Deputy Commissioners and Heads of Departments for issue of instructions to the Treasury for payment of advances sanctioned by Government. The instructions contained in para 9 of the Circular refer to all kinds of advances sanctioned to Government Officers, whether for their personal use or for public purposes. As stated in the Circular, the original orders sanctioning the advances should be attached to the bill and the amount drawn from the Treasury. The Treasuries are authorised to cash such bills without any special authority from this office provided they are signed by responsible Government Officers and accompanied by the original copy of the order in which the advance is sanctioned.

Where an advance is drawn in more than one instalment, it is enough if the number and date of the order sanctioning the advance, already attached to the first bill, are quoted in the receipt on which second and subsequent instalments are drawn and Treasuries should see that such reference is given before paying such advances.

No. T. A. D. 19, dated Bangalore, 5th July 1918.

To—All Treasury Officers.

Government having in their Order No. Fl. 7090-139—G. F. 217-17-1, dated the 29th May 1918, directed that all Heads of Offices should attach to their Salary Bills for July, a certificate in Form A (appended) regarding the verification of the furniture and books in their offices and of the permanent advance held by them, has the honor to request that all Treasury Officers will see that the required certificate is attached to all Salary Bills for July presented for payment in August.

2. In the case of bills drawn by Non-Gazetted Officers as heads of their offices and who draw their own pay, not on separate Salary Bills but along with the pay of their establishments, such as, Sub-Assistant Surgeons, Sub-Registrars, Police Inspectors, Head Masters of Schools, etc., the required certificate should be attached to the Establishment Bill for July presented for encashment in August.

3. In the case of officers who have not to account for any permanent advance such as Sub-Registrars, the part of this certificate relating to such advance should be struck out and attested.

4. A similar Certificate in Form B is necessary when a transfer of charge takes place and this certificate should be attached to the first Salary Bill of the relieving officer presented after the transfer of charge.

5. Bills not accompanied by these certificates should not be paid by Treasuries.

6. The Superintendent, Government Press, has been requested to print certificate forms A and B and supply them to all Departments on application. If printed forms are not received in time, certificates in manuscript should be attached to the bills.

No. T. A. D. A. 79, *dated* 16*th July* 1918.

To—Deputy Commissioners, Treasury Department of Districts and the Officer in charge, State Huzur Treasury, Bangalore.

Some of the Treasuries do not seem to know how to show in accounts deficiencies or excesses found in their cash balances. The following instructions are issued for their guidance :—

(1) When a deficiency is found in the cash balance of any day, it should be made good *at once* by the person responsible for it, and the closing cash balance of the day should be the full balance including the amount lost and made good. If, however, for any exceptional reason, the amount of a deficiency is not immediately restored to the Treasury balance, it should be charged in the accounts of the day on which the deficiency is discovered, on a voucher in the following form, signed by the Treasury Officer.

(1) When I verified the cash balance to-day, I found it to be less than the correct account balance by Rs.....

(2) This amount could not be restored to the Treasury balance to-day for the following reasons.

.....

.....

(3) I have submitted a report to.....about the discovery of this deficiency in my letter No.....of to-day.

(4) The amount has been charged as an advance recoverable from (here should be specified the name of the person who should make good the amount) in to-day's accounts and it will be recovered and credited in my accounts for.....Treasury Officer.

2. It should be remembered that the Treasury cash balance cannot be kept short owing to a deficiency due to the negligence of the Treasury staff. It should be made good on the very day on which the shortage is found. It is only in extremely rare cases and in quite exceptional circumstances that the deficiency can be allowed to be treated as a recoverable charge in the accounts of the day and even in such a rare case, the shortage must be made good the very next day. Some Treasuries keep the accounts of the day on which a deficiency is found open till the amount is recovered. This is a serious irregularity and very severe notice will be taken of the conduct of officers responsible for such irregularity.

3. When any excess is found in the cash balance, it should be credited to Revenue Deposits on the day on which the excess is found pending enquiry and disposal of the amount. If the investigation does not establish beyond doubt that the excess is due to a particular person, it should be credited to Government under "III Miscellaneous other receipts." If the amount is proved to be payable to any particular person, the refund should be made under the orders of the Deputy Commissioner.

M. N. KRISHNA RAO,
Comptroller.
